

WE ARE NOT A CRUISE SHIP, WE'RE A ROW BOAT. PICK UP AN OAR!

The prayer of Renovation Church is that every adult who calls this place their church home will pick up an oar and join in the mission to follow Jesus and help others do the same. Most volunteer teams require that you serve a minimum of two services per month so that you can stay sharp in your serving role and get to know others on the team! It is recommend that you sign up for no more than two teams at one time. Read below to learn more!

RENOVATION KIDS

Renovation Kids is passionate about helping children ages 0 to 5th grade grow in their faith! There are multiple fun and engaging roles that you can choose from in this area: caring for little ones in the nursery, teaching or assisting in the classrooms, helping families check their kids in for the morning, working with special needs children, or leading worship.

GREETING TEAM

The Greeting Team welcomes people to church with a friendly "hello" and a smile. They hold open the doors at the main entrances and Worship Center and play an integral role in creating a welcoming environment.

CREW TEAM

The Crew Team tidies and replaces the materials provided at each chair in the Worship Center, such as Bibles and pens. They help to provide those and any other unique materials required for everyone to fully participate in the service.

USHER TEAM

The Usher Team is committed to providing as much seating as possible in the Worship Center by helping people find an available place to sit. Volunteers welcome people as they enter the Worship Center and direct them to a row that has enough seating for their group .

BAPTISM TEAM

The Baptism Team is responsible for preparing and resetting the baptismal in the Worship Center during baptism services. Members of this team must be able to carry heavy loads.

CAFE TEAM

The Cafe Team creates an inviting atmosphere in the lobby where people feel welcome to connect and socialize with one another on Sunday mornings over coffee and donuts. Renovation Church's cafe is open before, during, and after services every Sunday.

PARKING TEAM

The Parking Team is our team of first impressions. Parking volunteers warmly welcome people as they arrive and direct vehicles to open parking spots. In the winter, part of the team also treats ice and makes sure that any freshly fallen snow is cleared from sidewalks.

PRAYER TEAM

The Prayer Team is dedicated to lifting up Renovation Church in prayer. Every Sunday, volunteers will be scheduled to come and pray at the pre-service prayer meetings to lift up the upcoming service, pray over our church community, and ask God to move in the hearts of our neighbors who don't know Him.

AUDIO/VISUAL TEAM

Help to create an engaging environment while people worship and listen to the message on Sunday mornings. Volunteers on this team run sound, slides, cameras, and lighting. Each of these roles is so important that we prefer these volunteers be extremely detail-oriented! Audio/Visual Team volunteers are scheduled to serve the entire morning when they volunteer.

MEDIA TEAM

The Media Team visually captures the ministry and events that take place at Renovation Church. Volunteers serve 15 minutes before, during, and after any service on their scheduled date. Relevant experience in photography and/or videography is preferred.

LANDSCAPING TEAM

Help keep the Renovation Church grounds looking beautiful by joining the Landscaping Team! The Landscaping Team works together throughout the year to maintain the plants and rocky areas of the church property by pulling weeds, picking up trash, and conducting other routine seasonal landscaping tasks. A unique aspect of joining this team is the ability to serve independently as you are able during the week.

WORSHIP TEAM

Worship Team members play a huge role in providing an experience where people can encounter God during Sunday services! Due to the complexity of the position, we require everyone to go through an audition process. Auditions happen twice annually. Worship Team rehearsals take place Thursday evenings for the following Sunday, and the Sunday morning time commitment is from 7:00AM - 12:45PM.

FOLLOW-UP TEAM

Almost every Sunday, we see people accept Jesus into their hearts - which is incredible! Members of this team briefly meet with these new believers during the service to give them next steps in their walk with the Lord and also take them through the 8-week Renovation Church discipleship program (as assigned). Must be a member of Renovation Church and a Christian for at least 1 year to be a part of this team.

LIBRARY TEAM

The goal of the Renovation Church Library is to provide a premier collection of resources that equip members and community friends to grow in Christ-likeness. Library Team members will assist users in locating and checking out library materials, organize library shelves, prepare materials for checkout, and generally provide outstanding service.

GOSPEL THREADS TEAM

Gospel Threads is a place where people can purchase apparel designed by Renovation Church to serve as evangelistic tools and spiritual conversation starters. Be a part of the team who mans the shop and keeps it running smoothly!
