

## ABOUT

Prison Fellowship is the nation's largest Christian nonprofit equipping the Church to serve incarcerated and formerly incarcerated individuals, along with their families, while advocating for justice and human dignity both inside and outside of prison.

## OPPORTUNITIES

Following a Celebrate Recovery format, their meetings begin with worship led by those who are incarcerated, followed by a review of the Recovery book and reflection on scripture. Afterward, participants break into smaller groups for discussion and close in prayer. Volunteers will take part in the worship service and have the chance to engage in the small group discussions and pour into the lives of inmates.
